There is no assurance that the stated objectives will be met. Certain funds shown have experienced negative performance.

The Mid-Cap Growth Fund is subject to market risk so that the value of the securities in which it invests may go up or down in response to the prospects of individual companies, particular industry sectors and/or general economic conditions. The Commerce Mid-Cap Growth Fund was rated against the following numbers of U.S.-domiciled Mid-Cap Growth Funds over the following time periods: 523 funds in the last three years, 492 funds in the last five years, 395 funds in the last ten years. With respect to these Mid-Cap Growth Funds, Commerce Mid-Cap Growth Fund received a Morningstar Rating of 4 stars, 4 stars and 5 stars for the three-, five-, and ten-year periods respectively. Each Fund has different risk. Please see a Commerce Funds prospectus for more information about risks, Fund holdings and other details.

Source: Morningstar, Inc. The Morningstar Rating™ is calculated for funds with at least a 3-year history based on a risk-adjusted return measure that accounts for variation in a fund's monthly excess returns. Exchange-traded funds and open-ended mutual funds are considered a single population. In each category, the top 10% = 5 stars, next 22.5% = 4 stars, next 35% = 3 stars, next 22.5% = 2 stars, and bottom 10% = 1 star. Overall rating is derived from a weighted average of the returns associated with its 3-, 5-, and 10-year (if applicable) rating, excluding all sales charges. Weights are based on the # of months of total returns: 100% 3-year rating for 36-59 months, 60% 5-year rating/40% 3-year rating for 60-119 months, and 50% 10-year rating/30% 5-year rating/20% 3-year rating for 120 or more months. ©2024 Morningstar, Inc.
